DECEASED TRADE FORM INSTRUCTIONS

HOW IT WORKS

- Issuer sponsored shares are those not sponsored by a broker. They are identified by looking at the Holding Statement, which displays a 10-digit number, usually headed by the letter "I". This number is called the SRN (Securityholder Reference Number). To sell issuer sponsored shares, you must update the registration details with the Share Registry to include "EST/ESTATE" (you will need to contact the Share Registry to arrange this).
- If your holding statement begins with the letter 'X', your shares are broker sponsored. If CommSec is not the sponsoring broker, you will need to sell them through the original Broker or transfer your shares to us by opening a CommSec trading estate trust account.

The following supporting documentation will be required:

If the value of the shares that belong to the estate is less than \$50,000:

- Certified copy of the Death Certificate
- Certified copy of the Last Will and Testament
- Small Estates Indemnity form
- Executor Administrator Authority form (CHESS sponsored shares only).
- Issuer Sponsored Holding Statement (as applicable)

If the value of the shares that belong to the estate is above \$50,000:

- Certified copy of Probate
- Executor Administrator Authority form (CHESS sponsored shares only).
- Issuer Sponsored Holding Statement (as applicable).

Once all the details are verified, the shares are sold at the prevailing market price as soon as practicable.

HOW WE PAY YOU

Payment can only be made by cheque and payable in the name of the estate.

HOW TO CORRECTLY CERTIFY DOCUMENTS

Each certified photocopy(s) must include the statement (or similar wording):
'I certify that this is a true copy of the original document'.

The certifier must include their full name, original signature, qualification or occupation which makes that eligible, date and contact details (phone number).
